6:30pm--Meal  
7:00pm-8:00pm--Meeting

Had a great meeting in May 2019. What a great turn out we had this meeting. We appreciate each of you for being committed. Looking forward to seeing many more in June 2019.

This month we welcomed students and teachers and principles from local schools for reading essays that won our annual essay contest: "How can we address and improve Veteran homelessness in our local community?" (Picture below). We also thank Legionnaire Al Times for being present to take such wonderful pictures of this event. Pictures were presented in The Item recently!

The Baseball Committee displayed items purchased for the P-15 American Legion Booth. Look forward to this baseball season and support the players and Legion/Auxiliary! Our season begins May 28, 2019 at 6:30pm. Please sign up to volunteer at the booth this year.

We will have the Poppy drive on May 16-17, 2019 at Piggly Wiggly on Broad St and Guignard Dr. and also at Simpson's Hardware on Westmark Blvd. Please come out and support the Veterans.

Girls State Tea will be on Sunday, May 21, 2019. Please come and assist us with finger foods and praise these young ladies for their selection in Girls State 2019.

God Bless each of you!
